By late afternoon, we'll arrive in Lethbridge, Alberta, where we'll check into our hotel for our first overnight stay. This evening, join us for a welcome reception! It's a great opportunity to meet your fellow travellers, share in the excitement of the days ahead and start making new travel memories.

DAY 2

LETHBRIDGE, AB TO CRANBROOK, BC

Today, we leave Lethbridge behind and make our way west through the majestic Rocky Mountains.

Our first stop is the historic Head-Smashed-In Buffalo Jump, a UNESCO World Heritage Site where you can learn about the traditions and hunting practices of the Plains Indigenous people dating back thousands of years.

We'll continue to Pincher Creek for lunch before enjoying a scenic stop at Lundbreck Falls. Take in the beautiful views as the Crowsnest River tumbles over the falls. From there, we'll travel through the stunning Rocky Mountain scenery toward Cranbrook, where we'll stop for supper.

DAY 3

CRANBROOK AREA

Today we'll head to the charming mountain town of Kimberley, known for its Bavarian-style architecture and European-inspired atmosphere.

Our day begins with a fascinating Kimberley Underground Mining Railway Tour, where we'll travel underground and learn about the area's rich mining history and the important role mining played in shaping this community.

Next, we'll have time to explore The Platzl, Kimberley's picturesque pedestrian-friendly downtown. Enjoy the shops, cafés and unique Bavarian-style buildings as you wander at your own pace. It's a wonderful spot to browse, take photos and perhaps enjoy a little treat.

If time permits, we'll make a stop at Marysville Falls. Enjoy a short walk along the boardwalk to the viewing area, where you can take in the beautiful waterfall as it tumbles through the rocky gorge. It's a lovely photo opportunity before we make our way back to St. Eugene Resort & Casino for another relaxing evening.

DAY 4

CRANBROOK AREA

Step back in time today as we spend the day exploring Fort Steele Heritage Town, one of British Columbia's most fascinating historic attractions. This beautifully restored 1890s frontier town brings the past to life with its historic buildings, old-fashioned shops and streets filled with stories from the gold rush era.

Take your time wandering through the town, visiting the heritage buildings and discovering what life was like for the early settlers of the Kootenay region. You may even see costumed interpreters bringing history to life through demonstrations and stories of days gone by.

Enjoy the unique atmosphere, browse the shops and take plenty of photos as you explore this charming piece of British Columbia's history. After a full day of discovery, we'll return to St. Eugene Resort & Casino, for another relaxing evening.

Prefer to stay at the hotel? There are plenty of ways to enjoy another day at St. Eugene Resort & Casino. Challenge yourself to a round of golf, take a leisurely stroll around the beautiful resort grounds, or try your luck at the casino. You may also wish to simply relax and enjoy the peaceful surroundings.

However you choose to spend the day, make the most of this chance to enjoy the Kootenay region at your own pace. Tonight will be our final overnight stay before beginning the journey back home.

DAY 6

CRANBROOK, BC TO LETHBRIDGE, AB

Today we'll say goodbye to Cranbrook and begin our journey east through the beautiful Elk Valley and Crowsnest Pass.

Our first stop will be in Sparwood, BC, where we'll enjoy lunch and have some time to see the famous Terex Titan. This enormous mining truck is one of the largest ever built and is an impressive sight up close.

Next, we'll visit the Frank Slide Interpretive Centre, where we'll learn about one of Canada's most dramatic natural disasters. In 1903, a massive rockslide from Turtle Mountain buried part of the mining town of Frank. Through exhibits, photographs and stories, we'll discover what happened that night and how this event changed the Crowsnest Pass forever.

We'll end the day with a visit to the beautiful Nikka Yuko Japanese Garden in Lethbridge. This peaceful garden was created to celebrate Canada's centennial and honour the friendship between Canada and Japan. Enjoy the carefully designed landscapes, tranquil ponds, traditional features and beautiful gardens.

After a day filled with fascinating history, unique attractions and beautiful scenery, we'll check into our hotel in Lethbridge for our overnight stay.
